

# WHAT WE DO

Sutherland Shire Family Services provides services that lead to safety and well-being for families in the Sutherland Shire and St. George region.

We bring together a range of services offered by dedicated professionals that help to support and strengthen the capacity of families within our community, particularly those who have been impacted by disadvantage, violence and trauma.

Through providing these services, we contribute to the promotion and maintenance of safety and wellbeing among all family members.

## FACILITATING CHANGE

*How your organisation can ensure  
children and families impacted by  
domestic violence in our  
community get the help they need*

*Your commitment ensures that we can generate greater social change and secure a safer future for those most in need.*

As an influential member of the community, and a business leader, we are calling on you to inspire action and help tackle the issue of domestic violence.

**Change is possible and within our reach.**

We are seeking your commitment and support for this journey. The longevity of key programs and the success in delivering their outcomes relies heavily on the ability to secure sustainable funding over a 3-5 year period.

Whether you donate a once off amount, or commit to support us for years to come, you can be assured your money is delivering real change in the community.
